

WORKERS SPEND 60-70% OF THEIR TIME WALKING.

ELIMINATE WALKING. IMPROVE MATERIAL FLOW.

Thouzer is the simplest way to move more materials with less effort and less labor.

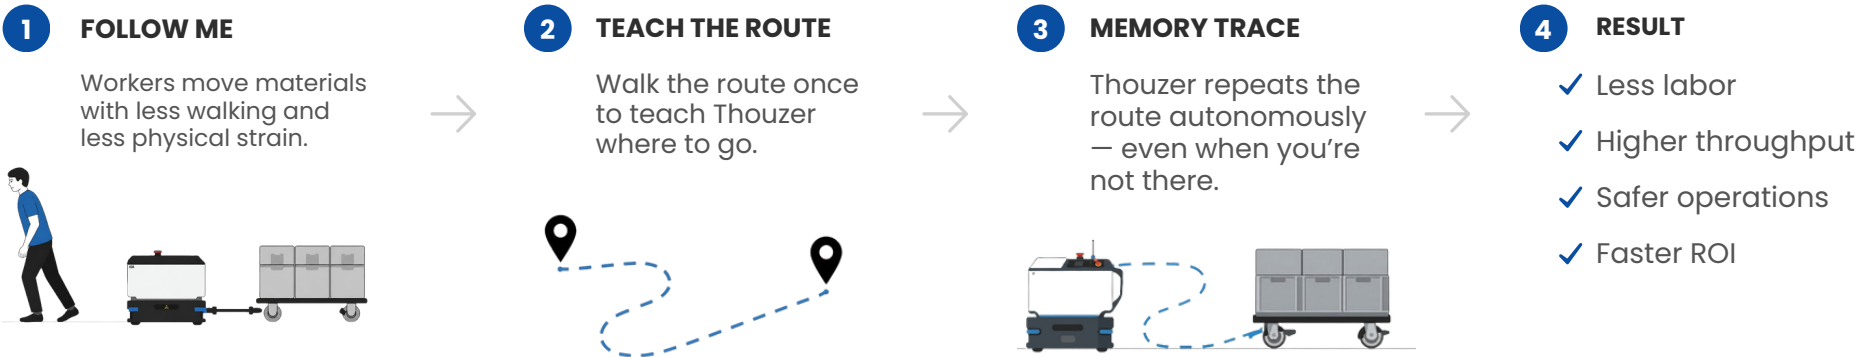

Most companies don't
need more people.
They need better
material flow.

Thouzer helps your team move more materials without adding headcount or redesigning your operation.

- ✓ Deploy in minutes - not months
- ✓ No Wi-Fi required
- ✓ No robotics engineers required
- ✓ No mapping or programming
- ✓ Tow existing carts and pallet jacks
- ✓ Teach routes with Follow-Me
- ✓ Automate repetitive routes with Memory Trace
